Policy

Protection of fees paid in advance

AIS protects the fees that are paid in advance by both domestic and international students.

For international student fee protection is ensured as follows:

- All course fees will be held in a separate bank account that can only be drawn down when the student commences. The course fees are held separately from the day-to-day operating expense accounts, so that if a refund is payable before the student commences, the refund can be made in full and in a timely way without impact on the financial operations of the business or recourse to the tuition protection system.
- AIS, to meet its obligations under ESOS Act 2000, will collect only 50% of the total tuition fees for courses with more than 25 weeks of duration. Students are not required to pay more than 50% of the fees upfront if their course runs for more than 25 weeks however they can pay if they choose to.

Fees and refund information

Prospective and current students are advised of the fees associated with a course in the Student Agreement. In compliance for international students either provided prior to enrolment (standard 2) or commencement of training (Standard 3), fee information is always according to the National Code 2018. Fee information provided to domestic and international students includes:

- All students will receive fees due reminder a month prior to the due date. Student can follow the payment plan in their letter of offer for the designated course.
- All relevant fee information, including fees that must be paid and payment terms
- Details of the potential for tuition and non-tuition fees to change during the student's course as relevant
- Deposits and refund information and conditions relating to these
- The learners rights under the consumer law in NSW - mandatory 10 days cooling off periods which consumers can cancel a purchase without penalty.

Refund information is outlined in the Student Agreement and in the Student Handbook. Fees will only be collected once a signed copy of the signed Student Agreement is received by AIS.

Inclusions in course fees

Unless otherwise specified, course fees include all the training and assessment required for students to achieve the qualification or course in which they are enrolling. Course fees will clearly itemise tuition fees, and non-tuition fees.

- Course fees do not include required learning materials. These are an additional cost, as outlined on the Course Outline.
- Course fees include the issuance of a testamur and record of results and/or statement of attainment. For additional copies or re-issuing of any of these documents an additional fee is applicable. This fee is Currently **AUD\$200 per request**.
- Course fees do not include Overseas Student Health Cover or other optional extras. These fees are additional cost as outlined in the Letter of Offer.

Fee Payments

- All students are sent a 'fees due' reminder a month prior to the due date.
- Students must pay fees by the due date to avoid penalties and other sanctions such as preclusion from attending classes, submitting assessments and receiving documents. Penalties apply for fees received after due dates.
- All fees must be paid in Australian dollars only.

- Students are responsible for keeping receipts for any payments made to AIS.
- AIS reserves the right to review its fees regularly and may change its fees during student's enrolment.

Late payments

International students will be charged an AUD\$100 late fee per week for overdue tuition fees until it is all paid. Students who do not pay their fees will be reported to DET via PRISMS under student default.

Refunds Policy

AIS's refund policy observes the principles outlined in the Education Services for Overseas Students (ESOS) Act 2000 and National Code 2018. AIS will monitor and review pricing as part of the continuous quality improvement strategies in order to ensure AIS offers quality training for a fair and reasonable price. All relevant course, fees and refund information will be made available to clients prior to enrolment.

Refunds – international students

Students are eligible for a refund in the following situations:

AIS may arrange for a suitable alternative placement within 14 days after the default day. If the student accepts this offer of a placement, the student needs to sign an acceptance document. Alternatively, if AIS is unable to offer a suitable alternative placement or student does not accept the alternative suitable

placement chosen by the AIS, then AIS will pay the refund to the student, as determined by Education services for overseas students (Calculation of refund) Specification 2024 (<https://internationaleducation.gov.au>).

Students will be advised of a default situation in advance (where possible) and will be sent a letter explaining how any refunds will be calculated.

A full refund (minus processing and any non-refundable fees) will be paid into the authorised account notified by the student within 14 days of the default day.

In the event, AIS does not satisfy its obligation to an affected student, the TPS (Tuition Protection Service) Director will facilitate access for the student to course placement or refunds. No refund will be provided in the following cases of Student default, defined as being when:
