

HLT52021

DIPLOMA OF REMEDIAL MASSAGE

CRICOS COURSE CODE: 114712J

QUALIFICATION DESCRIPTION

This qualification reflects the role of remedial massage therapists who work with clients presenting with soft tissue dysfunction, musculoskeletal imbalance or restriction in range of motion (ROM). Therapists may be self-employed or work within a larger health service.

To achieve this qualification, the candidate must have completed at least 200 hours of work in a simulated clinical environment as detailed in the Assessment Requirements of units of competency.

The skills in this qualification must be applied in accordance with Commonwealth and State or Territory legislation, Australian standards and industry codes of practice.

No occupational licensing, certification or specific legislative requirements apply to this qualification at the time of publication.

CAREER OPPORTUNITIES

Practitioners may be self-employed or work within a larger health service.
