

BSB40920 CERTIFICATE IV IN PROJECT MANAGEMENT

CRICOS COURSE CODE: 103919G

The Australasia International School employs trainer assessors who work in or have their own businesses in project management. Our students learn the skills and knowledge in today's context as a result, students will learn how to create, manage, meet project goals, to achieve this on time, budget and within the projects scope.

This qualification reflects the role of individuals who apply project management skills and knowledge in a wide variety of contexts. The job roles that relate to this qualification may include Contracts Officer, Project Administrator and Quality Officer.

Individuals in these roles work autonomously, and might be members of a project team, with no direct responsibility for overall project outcomes. Primarily, these roles would support wider project operations. They may use project tools and methodologies selectively to support organisational or business activities.

Potential employment options are in a range of leadership and management roles in a range of industry areas.

Students who complete this course may wish to continue their education into the BSB50820 Diploma of Project Management, followed by Advanced Diploma of Program Management or a range of Diploma qualifications, Advanced Diploma Qualifications as well as higher education qualifications in Program/ Project and management.
